**LEGAL NOTICE**

This Guide has been prepared for informational purposes only and is not for the purpose of providing legal advice. Your use of this Manual does not create an attorney-client relationship between Marashlian & Donahue, PLLC and you. You should not act upon the information set forth herein without seeking professional counsel. The information in the Guide is not guaranteed or promised to be current.

Federal, State, and International laws and regulations governing communications are subject to change through legislation, court decisions, and regulatory decisions, policy shifts and rulemakings. Many such changes are often subject to adequate advance public notice before taking effect allowing time to adjust to any new requirements. However, recently, some changes are being effected with little or no advance notice. Before any major initiatives are undertaken the most prudent practice is to check on the current status of any applicable laws and regulations that may apply. Some of the content on this document may be considered Attorney Advertising under the applicable rules of certain states. Prior results do not guarantee a similar outcome.
